### OUR MISSION

Access propels middle school students who have been historically underserved through high school and on to college and career success with enrichment, counseling, and scholarships.

### EVERY STUDENT MATTERS

Across the St. Louis region, the education and health outcomes of our youth are too often predetermined by their zip code. But at Access,

### WE BELIEVE IN EQUITY:

that every student should have every chance to thrive every day, regardless of where they live. This year, we are inviting our supporters to take a deep dive into the lives of our students, with an exclusive Access Academies documentary screening. You'll hear firsthand about the dreams and aspirations of our students, the hurdles they face, and how the support Access provides keeps them on the path to success.
