

2023 SPONSORSHIP OPPORTUNITIES

Since 2005, Access Academies has worked to create equity in education across the St. Louis region by propelling middle school students who have been historically underserved through high school and on to college and career success. To achieve this, we've embraced an innovative model that incorporates challenging after-school and summer enrichment programs, scholarships to private college-prep high schools, and 11+ years of individualized counseling. With you by our side, Access has supported the development of over 1,300 students from 30 different zip codes and continues to prepare the next generation of community leaders, thinkers, and innovators to make their mark across the region.

- Access Academies' graduation rates for both African American (98%) and Hispanic (92%) students exceed the national averages for both racial and ethnic groups, as well as the graduation averages for schools in Saint Louis City (including St. Louis Public Schools and St. Louis Charter Schools), which are less than 90%.
- 67% of Black students and 59% of Hispanic students in Access Academies who graduate high school enroll in post-secondary opportunities immediately after high school. These figures are larger than for all students in St. Louis Public Schools (46%) and all students in Inner-Ring Suburban St. Louis schools (58%).

Access Academies 14th Annual
CELEBRATION DINNER
Thursday, June 1, 2023
The Ritz-Carlton, St. Louis

The Celebration Dinner is our largest fundraiser of the year and helps raise the lion's share of our programming and scholarship budgets. This year's theme, "Making Our Mark" will celebrate the success of our students, past and present. We are excited not only to recognize the hard-earned accomplishments of our current Academy scholars but to reconnect with alumni and graduates of the program to showcase the impact they are making in the world.

Sponsor the Access Celebration Dinner Today

Sponsorship of the Access Celebration Dinner supports:

Our College & Career Success Program and Access College Scholarship

Our Graduate Support Directors as they build enduring relationships and provide critical mentoring and counseling from middle school through college graduation

Our students and their families with four years of private, college-prep high school tuition scholarships

Our enrichment programming, which extends the school day and academic year by over 1,200 hours
