OUR MISSION

Access propels middle school students who have been historically underserved through high school and on to college and career success with enrichment, counseling, and scholarships.

OUR VISION

We envision a vibrant St. Louis community where equity in education allows every child to think, dream, and achieve big.

YOU'RE INVITED

Our scholars work hard every day to excel in school, build valuable life skills, and pursue their college dreams. One night each year, we celebrate their success.

This year, we're excited to return to our traditional format (cocktails and a seated meal) while also launching a new tradition—rotating our annual event among partner schools and bringing our community closer to the places where our students learn, grow, and thrive.

Please join us at Christian Brothers College High School—home to 20 Access scholars—for what promises to be an inspiring evening of powerful student stories and a shared commitment to expanding educational opportunities across our region.

HONORING Tom Nolan

Recipient of the Founders Award in recognition of his leadership, vision, and lasting impact on our scholars.
